

REMARKS

The foregoing claim amendment repeats in full the amendment that was emailed to the Examiner on March 26, 2010.

Attached hereto as Exhibit A will be found a "clean" version of these claims with the underlining removed and the text that has been struck-through deleted.

In the Examiner's Amendment that forms a part of the Notice of Allowance the struck-through text has not been removed from the claims. As a result the language of the claims indicated as being allowable is not accurate, and should not be printed as such in the US Letters Patent. A correction to the Examiner's Amendment is respectfully requested.

Claims 2-9, 11-14, 17 and 20-22 are actually pending and should all be allowed.

However, the Notice of Allowability states that claims 1-40 are allowed. A correction to the Notice of Allowability is thus respectfully requested.

Furthermore, in paragraph 1 (page 2) of the Notice of Allowance the Examiner states that claims 2-9, 11-14, 17 and 20 are currently pending, while on page 23, under "Allowable Subject Matter", the Examiner states that claims 2-9, 11-14, 17 and 20 are allowed. However, as was noted above claims 2-9, 11-14, 17 and 20-22 are actually pending and should be allowed.

The Examiner is respectfully requested to issue a corrected Notice of Allowability and a corrected Notice of Allowance that contains an accurate listing of the allowed claims and an accurate listing of the language of the claims as allowed.
